YOU GOOD WINE AND  
A GOOD TIME IN THE  
COMFORT OF YOUR  
OWN HOME!

With just a taste, you can hand-pick your favorite wines and have them delivered to your door within a week! We include small tasting size bottles of each wine, glasses, and a map of the vineyard your wine comes from.

We also include a summary of how the grapes were grown and processed for each bottle to give you the full winery experience.

## ABOUT US:

We are a local business to the central coast! Surrounded by some of the best wineries in the country, we were inspired to package these one-of-a-kind bottles and ship them right to your door.

While the wine-tasting experience may temporarily be on hold, you can still get the full experience in your bubble at home!

We combined our love of wine with our stay at home woes so that we can all feel a little better during quarantine. Enjoy!
